

DETAILED TABLE OF CONTENTS

PREFACE	XIII
CHAPTER 1: The Challenges of Marketing Financial Services	1
Evidence of a Quickly Changing Market Environment	1
Sources of Change in Financial Services Markets	6
The Formal Study of Financial Services Marketing	11
CHAPTER 2: The Consumer Decision Process in Financial Services	17
What is a Financial Service?	18
Rational Consumer Decision Making	21
Heuristic Decision Making	26
Framework for Understanding Consumers' Financial Decisions	29
Decision Patterns Related to Human Cognitive Circuitry	32
The Magical Number 7	32
Asymmetric Discounting	35
The Attraction Effect	37
Anchoring and Adjustment	38
Behavioral Patterns Related to Emotions	40
Mental Budgeting of Financial Services	40
Believing in Eventual Turnarounds	42
Shifting Risk Preferences	43
Non-Rational Escalation of Commitment	45
Behavioral Patterns Related to Insufficient Consumer Knowledge	46
Underperformance of Information Search	46
Poor Knowledge of Risk	48
Decision Arrogance	49
Ethical Implications of the Consumer Decision Process	50
Chapter Questions	52
CHAPTER 3: Categories of Financial Products and Services	57
Savings Products	57
Savings Accounts	58
Certificates of Deposits	61
Stocks	62
Mutual Funds	63
Pension Plans	65
Other Savings Products	66

Credit Products	67
Home Mortgages	67
Home Equity Loans and Lines of Credit	70
Collateralized Loans	71
Credit Cards	72
Insurance Products	76
Homeowners Insurance	76
Automobile Insurance	77
Life Insurance	78
Specialized Insurance Products	81
Concerns in the Marketing of Insurance	83
Transaction Processing Services	84
Checking Accounts	84
Debit Cards	86
Automated Teller Machines	87
Concluding Points	89
Chapter Questions	90
CHAPTER 4: Pricing	95
Challenges in Pricing Financial Services	96
Common Approaches to Pricing Financial Services	98
Cost-Based Pricing	100
Parity Pricing	103
Value-Based Pricing	105
Regulation-Based Pricing	107
Category-Specific Pricing Practices	108
Pricing Credit Products	108
Pricing Savings Products	110
Pricing Brokerage and Investment Services	112
Pricing Insurance Products	113
Strategic Considerations in Pricing	115
Chapter Questions	119
CHAPTER 5: Advertising	121
Unique Aspects of Advertising in Financial Services	122
Frameworks for Financial Services Advertising	124
Framework 1: The Consumer Decision Process	125
Framework 2: The Communication Process	127

X Marketing Financial Services

Framework 3: Hierarchy of Consumer Needs	130
Framework 4: Ad Execution Style	131
Advertising Basics	133
Advertising Execution	133
Measuring Advertising Effects	136
Success Factors in Financial Services Advertising	136
Steps in Advertising Financial Services	138
Regulations and Financial Services Advertising	142
Chapter Questions	147
CHAPTER 6: Distribution	151
Strategic Role of Distribution in Financial Services Marketing	151
Distribution Systems Used in Financial Services Marketing	153
The Agency System	157
Efficiency Gains and Agent/Broker Intermediation	157
Challenges in Managing an Agency/Brokerage Distribution System	158
Incentive Systems	160
Determining Distribution System Characteristics	161
Determining the Size of the Distribution System	161
Determining the Scope of Distribution	162
The Impact of Technology on Financial Services Distribution	164
Financial Services Distribution Strategy	166
Chapter Questions	168
CHAPTER 7: New Product Introduction in Financial Services Markets	171
New Product Opportunities in the Product Attribute Space	173
How New Products and Services Are Created	174
Methods for Identifying New Product Needs	175
Observational Methods	176
Open-ended Questioning	177
Focus Groups	179
Attribute Ratings	180
Conjoint Analysis	181
Testing the Market Acceptance of New Financial Services	186
Test Marketing Consumer Response Rates	187
Testing Changes in Transaction Volume or Account Balances	189
The Product Life Cycle	191

Secondary Sources of Information	195
Chapter Questions	197
CHAPTER 8: Segmenting Financial Services Markets	203
An Example of Segmentation at Work	204
The Segmentation Process	206
What is Market Segmentation?	206
Strategic Benefits of Market Segmentation	207
Steps in Market Segmentation	207
Data Sources Used for Conducting Market Segmentation	208
Cluster Analysis	212
Targeting Customer Segments	216
Segmenting Customers Based on Existing Relationships	221
Chapter Questions	226
CHAPTER 9: Customer Satisfaction with Financial Services	231
Benefits of Customer Satisfaction with Financial Services	232
Determinants of Customer Satisfaction	234
Measuring Customer Satisfaction	237
Dimensions of Customer Satisfaction with Financial Services	239
Improving Customer Satisfaction Using Gap Analysis	241
Beneficial Effects of Customer Satisfaction	244
Customer Relationship Management	245
Methods for Strengthening Customer Relationships	248
Bundling	
Individually Catered Incentives	
Cyclical Timing	
Employee Protocols	
Complaint Solicitation	
Facilitating Personal Contact	
Customer Prioritization	
Target Marketing	
Return on Investment for Customer Relationship Building Activities	252
Concluding Points on Customer Satisfaction	253
Chapter Questions	254

CHAPTER 10: Regulations Governing Financial Services Marketing	259
Why Regulate?	259
Consumer Vulnerability	260
Objectives of Regulating Financial Services Marketers	262
The Regulatory Bodies	263
Regulations Governing Financial Services Marketing	266
Bank Regulations	267
Insurance Regulations	271
Brokerage and Investment Services Regulations	272
Consumer Privacy Regulations	275
Regulations Governing Communications with Consumers	276
Concluding Points	277
Chapter Questions	277
Contact Information	
CHAPTER 11: Strategic Market Planning in Financial Services	281
What is "Strategy"?	281
The Need for Financial Services Marketing Strategies	283
Strategic Challenges in Financial Services Marketing	284
The DIAMOND Framework for Financial Services Marketing	286
The Ten Guiding Principles of Financial Services Marketing	291
Developing a Marketing Plan	295
Chapter Questions	297
CHAPTER 12: Cases	301
Farmers Bank of Virginia	303
AssetsGuard	311
Home Endorsers Inc.	317
Lexzmmar Investments	321
Pioneer Accelerated Mortgage	327
Georgia Supplemental	333
Index	339

INDEX
